(SRI M. V. KRISHNAPPA)

not so. From the time the GMF scheme was started this sivagama land was occupied by these people and since then they are in possession of the land. Government is trying to evict them.

Sri G. V. GOWDA.—Even those persons who have more than 20 acres of land of their own, have not been evicted after integration.

Sri M. V. KRISHNAPPA.—Sir, since one year we are levying heavy penalties on those people and trying to evict them under the Madras Eviction Act.

Sri G. V. GOWDA.—Will Government give an assurance that these wealthy pattadars will be evicted and the lands granted as per rules?

Sri M. V. KRISHNAPPA.—Certainly Sir, if the Lawyers do not defend them.

Sri G. V. GOWDA.—Under the Madras Land Encroachment Act, there is no question of lawyers interfering. If he is a wealthy pattedar he has to be evicted under the rules.

Sri M. V. KRISHNAPPA.—I cannot give a time-limit but we have given instructions. Hon'ble Member knows that we have started levying heavy penalties. We have already started serving notices under the Act of 1905.

Sri G. V. GOWDA.—Is the Government aware that the wealthy pattedars are ready to pay any penalty and the only course open to Government is to evict them under the rules.

Sri M. V. KRISHNAPPA.—Certainly. If the Hon'ble Member wants it we will take strong action; not that the Government has not taken action so far but we are trying to evict them. However I cannot give an assurance that it would be done within an year because action has to be taken under an Act and it would take sometime. Government is prepared to take strong action.
